Where the wonders of science take center stage

# ORPHEUM CHILDREN'S SCIENCE MUSEUM

www.orpheumkids.com

Camps take place  
Monday-Friday from  
8:30 a.m.—Noon unless noted.

Looking for a fun-filled summer camp for your child? Our camps are a great way to explore interesting topics and meet new friends. Two camps are offered simultaneously— one for children in grades K-2 and another for grades 3-5. Our camps have a small student to teacher ratio, with in-depth exploration of topics. Camps are limited to 12 participants. Please register your child according to the grade level completed in Spring 2010. Register today — our camps fill quickly!

## Registration Fees

\$140– members, \$150– nonmembers  
Sibling discount is \$10 off per camp.

## 3 easy ways to register!

1. Online at [www.orpheumkids.com](http://www.orpheumkids.com)
2. In person at the museum
3. By phone at 352-5895

## SUMMER CAMPS

### Preschool Magic Critter Camp

June 7- 11

Learn about some favorite pets and get a chance to see live animal guests!  
Tuesday – Thursday \$80 non-members, \$75 members, for ages 3-4, must be potty trained. 9 a.m.-noon.

### Motion & Design and Design It

June 14- 18

Put on your hard hats as we construct bridges, boats, and build using different materials and shapes. Back by popular demand! Grades K-2 and 3-5.

### Camp Invention!

June 21-25

The wildly popular nationally acclaimed camp will be offered twice this summer. Registration and fees are available at [www.invent.org](http://www.invent.org). Grades K-5.

### Stuffbusters

June 28-July 2

Where does all of our stuff come from and where does it go? Ipods, razors and X-boxes, oh my! What's all that talk about global warming, anyway? And what does it have to do with our stuff? Join in to bust the myths about stuff, landfills, global warming, and even design your own earth friendly products. Programming developed through an Institute of Museum and Library Sciences grant. Grades K-2 and 3-5.

### Veterinary Science Camp

July 5-9

Leap into the fascinating world of animals with crafts, experiments and games. Meet some real-life furry, scaly, and feathery friends! Grades K-2 and 3-5.

### Lego Camp

July 12-16

We will expand upon our wildly popular Lego club curriculum, to provide a week long program to teach basic engineering and design through hands on explorations. Grades K-2 and 3-5.

### Aspects of Acting

July 19-23

Join us in hosting Champaign-Urbana's Theater Company in their Aspects of Acting at the Orpheum. An experiential camp with a dramatic twist and every day a new adventure is included. In this week will be stage direction, improvisation, acting technique, and theatre games. On Friday friends and family will join in the dramatic conclusion for a performance by participants. For ages 8-12.

### Dino Camp

July 19-23

Travel back in time to the age of the dinosaur and discover what they ate, how big they were, and what they left behind. Dig for fossils and look at real dinosaur bones! Grades K-2.

### Camp Invention

July 26-30

The wildly popular nationally acclaimed camp will be offered twice this summer. Registration and fees are available at [www.invent.org](http://www.invent.org). Grades K-5.

### Nano Science Camp

August 2-6

Using materials from the Nanoscale Informal Science Education Network and hands on exploration we will look at the big world of the world in miniature. Grades K-2 and 3-5.
